## GAME MODES

### Single Player

This is the standard mode where your progress is saved and scores are recorded. Complete a round of 18 holes under par, and you will unlock a new course! Also, there is a 10 stroke limit per hole.

### Pass 'n Play

This mode is exactly like Single Player mode except that is for two players, and the statistics are not recorded. You can select from any unlocked courses.

### Practice Hole

This mode allows you to practice a particular hole repeatedly. The statistics are not recorded.

## COURSES

Unlock a new course by completing a round of 18 holes under par.

The 3 courses are:

- **Tiki** – A lush, tropical course with an active volcano.
- **Egypt** – A mysterious, desert course.
- **Sideshow** – A creepy course featuring mimes, buzz-saws, and more.
